

Did you have a job like this...?

Boilermaker
Carpenter
Electrician
Equipment Operator
Insulation Worker
Iron Worker
Laborer
Mason

Painter
Pipefitter
Plumber
Roofer
Sandblaster
Steamfitter
Welder
...and others

At one of these atomic weapons sites?

BTMed National Medical Screening Program for Former Construction Workers at DOE Atomic Weapons Sites

If so, you may have been exposed to:

Asbestos
Beryllium
Cadmium
Chromium
Lead
Mercury
Noise
Radiation
Silica
Solvents ...and others

And be at risk for health effects:

Asbestosis
Chronic Beryllium Disease
COPD
Dust-related Lung Disease
Lung Cancer
Mesothelioma
Pleural Plaques
Radiation-Related Cancers
Silicosis
Hearing Loss
...and others

You may be eligible for free medical screening exams related to this risk. Call BTMed at 1-800-866-9663, email us at btmed@zenith-american.com or visit <https://www.BTMed.org>
